- Innovation on service oriented product

Manufacturing

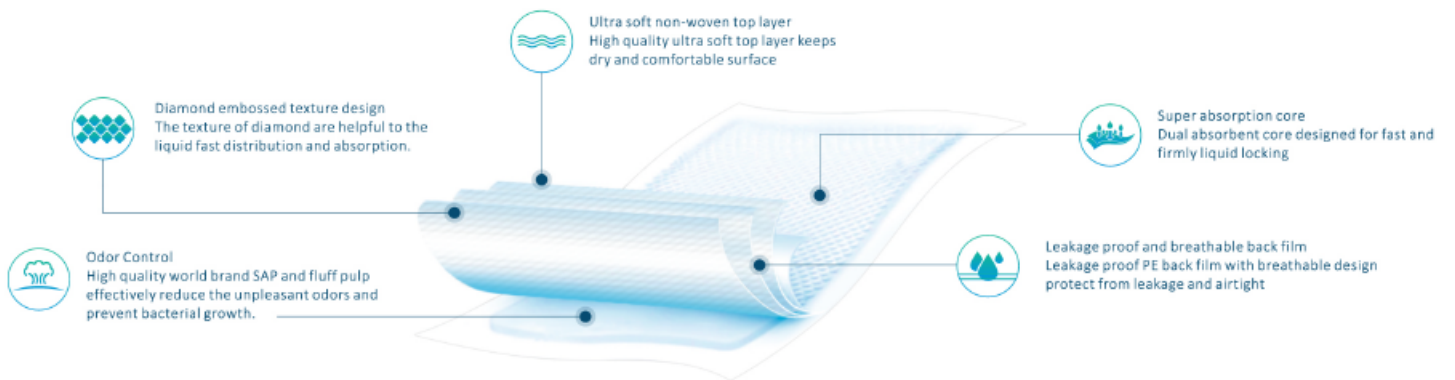

QUALITY . SAFETY . EFFICIENCY . COST

- Strict production safety system
- Advanced tech production line and facilities
- Rigorous product realization process
- Efficient production cost control

Adult Absorbent Underpads

Adult Absorbent Underpads

Absorbent Underpads are designed to provide extra protection against leaks for beds, chairs, and other surfaces. They add an additional layer of security, particularly for those with heavy leakage. You can even choose from a range of sizes and absorbencies to meet your personal needs.

Adult Pull Up Diaper

Soulcare Adult Pull Up Diaper goes beyond protecting from moderate leakage associated with urge and mixed incontinence. It has improved efficiency by reducing odors and promoting skin health. Advanced discreet core technology has exceptional performance with added comfort and discretion.

*** Breathable Bottom Film**

Airflow technology Allows for air to skin contact, minimizing heat buildup, no leakage.

Super Absorbent Core

With imported fluff pulp and SAP, the lengthened and widened absorbent core can be more conducive to fully absorb.

*** Wetness Indicator**

Remind changing diaper in time.

Tear Away Sides

More convenient taking off and disposing.

360°Elastic Waist

Comfortably close the body without a sense of restraint, and the elasticity is lasting and strong but no tight sense

Ultra Soft Top Sheet

The soft and hydrophilic top non-woven fabric that reduces skin irritation to maintain dry and comfortable.

Adult Insert Pad

Super Absorbent Core
Super absorbent core with special deodorizing ingredients make more effective odor control.

Back sheet sticker
Back sticker helps pad fixed firmly and preventing movement.

Ultra Soft Top Sheet
The soft and hydrophilic top non-woven fabric that reduces skin irritation to maintain dry and comfortable.

Multiple leak proof
3D waistline and leg cuff effectively prevent leakage and make users more relieved and comfortable

Adult Insert Pad

Adult Insert Pads are designed for men and women. Insert Pads are a two-part system with a full length adhesive strip that secures the product in the wearer's own underwear for leakage protection.
